Coming Soon!

We will be serving a new snack menu available during drinking hours (lunchtime, afternoon, late nights, etc)

This will include some pub classics like homemade scotch eggs, pickled eggs, sausage rolls and some 'lite bites' to enjoy with a pint or glass of wine, such as cheese & meat platters, cheesy nachos, olives, breads & dips. Also mid-week lunches will include Soup of the day, sandwiches, salad of the day & hot dish of the day.

We look forward to serving you.
